

TSUYOSHI HARAYAMA (SOFTWARE ENGINEER)

STATEMENT My background as a developer, along with my internship experience in the technical training program, has allowed me to attain some excellent technical skills. In addition to my development skills, I also have great eyes for design, which would set me apart from the other developers. I am eager to learn new technologies to sharpen my skillset whenever I get the chance.

SKILLS Programming, Technical Research, Troubleshooting/Debugging, Information Technology, Computer Operations, High Level Design, Proficient Math Skills, Design Thinking, Social Media Marketing, Budgeting, Customer Service, Conflict Resolution, Food Handling Policy

TECHNICAL SKILLS Visual Studio Code, JavaScript, React, HTML5, CSS3, SQL, Adobe XD, Figma, Microsoft 365, Trello, Canva, Google Drive

WORK HISTORY IT intern/Quality analyst / business analyst / technical analyst

*i.c.stars / * Milwaukee / July 2021 – Nov 2021*

- Immersed myself in project-based assignments within the agile framework and attended weekly training on JavaScript, SQL, CSS3 & HTML5.
- Ideating on multiple user perspectives & incorporating them into mockups & prototypes, utilizing best in class tools, methods, and processes.
- Utilized SQL for a 7-day series of timed technical challenges.
- Quickly developed three websites from wireframe to finish incorporating client's feedbacks and edits.

Host / Kitchen Staff

Bangkok Thai and Sushi / Oct 2019 - Nov 2021

- Progressed from host to waiter to head cook
- Managed high volume and multi-task in both front of the house and back of the house roles.

- Trained 10+ workers in food preparation, garnishing, presentation, serving, and customer service.
